

MRS. INA WAPSTRA, Sierra Madre Community Hospital nurse, is handing the second of the identical twin girls to the beaming young mother, Mrs. Paul Sanders. The twins were born on Sunday, September 13th.

PAUL SANDERS, awestruck father of identical twin girls who are still taking it easy in the Sierra Madre Community Hospital nursery, appears to be wondering just how he is going to distinguish Paula Marie from Patrice Diane, as the little ones grow into girlhood. Nurse Ina Wapstra appears quite unconcerned with the identity problem facing the young father.

S.M. Community Hospital — Heirport

Identical Set of Twins Born To Sanders Family

Identical twin girls were among the latest arrivals at the Sierra Madre Community Hospital heirport. The double blessed event occurred Sunday, Sept. 13. Dr. Reed Alder of Arcadia was pilot of the stork her express.

Parents of the twins are Mr. and Mrs. Paul Sanders, who live at 520 W. Colorado Blvd., Monrovia. Paul Sanders is employed in the purchasing department of Swinquit, Incorporated, of El Monte.

The twins are Paula Marie, who weighed 5 pounds, 6 ounces, and Patrice Diane, who weighed 4 pounds, 13 ounces. The Sanders have an older daughter, Paige, age 2.

PTA Presents 'Everything Goes' Extravaganza

Sierra Madre PTA sets dates for ninth annual extravaganza entitled "Everything Goes." The show will be presented three nights, Nov. 19, 20 and 21. In order to avoid disappointment, as experienced by those turned away last year, tickets will be sold for a specific date. Plan ahead and choose a date now. Tickets will be available through the room mothers the first week in November.

This year everyone is invited to attend the sign-up night, Monday, Oct. 5, 7:30 p.m., Sierra Madre School Auditorium. Meet the director, read the script, and volunteer for a skit, a song or a dance. Or join the production crew as a stage hand or a wardrobe assistant on Tuesday, Oct. 6, at 7:30 p.m. We will discover talents you didn't know you had. Under the direction of Mrs. Harry Gruwell, a professional in this field, the ninth annual extravaganza promises to be sensational.

Nursery School Tour Covers Foothill Area

The annual Nursery School Tour of the Southern California Association for Nursery Education (SCAN), Foothill Area, will be held on Saturday, October 3, featuring schools in the West Pasadena and La Canada areas.

Schools to be visited include Garfield Nursery School, 135 W. California St., Pasadena (9:30 a.m.); Parents and Children Nursery School, 1312 Foothill Blvd., La Canada (10:30 a.m.); La Crescenta Valley Methodist Church Cooperative Nursery School, 2720 Montrose Ave., Montrose (11:30 a.m.); and Crescenta-Canada Cooperative Nursery School, same address in Montrose (noon).

The organization's first program of the fall season will follow luncheon at 12:30 p.m. in the La Crescenta Valley Methodist Church building. Reservations may be obtained from Mrs. Irene Hankins, 1721 Sinaloa Ave., Pasadena.

HAWAII bound, aboard the SS Lurline, from San Francisco on September 18, are Mr. and Mrs. William C. Deley of 375 Toyon Road, Sierra Madre. The leisurely five day cruise ends with a traditional aloha welcome upon arrival in Honolulu Harbor.

Tax Committee To Protest Tax Increase

To Meet Monday To Start Procedure For Tax Relief

Funds Will Be Needed For Counsel And Possible Appraiser; All Invited

A group of taxpayers under the temporary chairmanship of Ted Stetson met Monday evening at the City Hall in an attempt to organize a committee to protest the recent, termed unfair, tax status of the various properties within the city limits of Sierra Madre.

A letter was received by a firm of attorneys, who stated that they would represent the group in appealing the new assessment placed this year. After explaining the procedure recommended by this firm, they stated that not less than \$3,000 was the estimate that would have to be raised for the hiring of a qualified appraiser, whose position would be to find a series of inadequate assessments and prove that they were being discriminated against in relationship to comparable properties in adjoining cities and throughout the county.

The letter further outlined three steps that would be necessary for this firm to collectively protest the assessed valuation placed on Sierra Madre properties for the current fiscal year. Further this firm of attorneys stated that their fee for this representation will not be less than \$2,000.

After a lengthy discussion on the tax rate levied by the taxing agencies and the action that the committee should take, temporary chairman Stetson called for nominations for a permanent chairman and a committee of action.

Since time is of the essence in this action, a meeting was called for Monday evening, October 5 at the City Hall at the hour of 8 p.m. All citizens of Sierra Madre are invited to attend.

'Prove I'm Wrong,' Says Watson

County Assessor Philip E. Watson today urged all taxpayers considering filing an equalization petition to discuss their assessments with his appraisal staff before the actual filing.

Watson said his department is prepared to recommend a reduction in assessment in any case where a physical review of the property by his staff verifies the property owner's contention that the assessment was more than 25 per cent of market value.

However, Watson said, no reduction will be recommended unless the property owner can offer conclusive evidence of wrong market value.

A special Tax Appeals Board Section of the Assessor's Department, headed by Principal Appraiser Frank Feeney, has been set up in Room 283 of the Hall of Administration.

Watson stressed that a discussion with the appraisal staff in the Assessor's regional offices or in the Hall of Administration can simplify the Equalization process.

"The 'magic words' are 25 per cent of market value," Watson said. "If you can show us we're wrong, we'll be happy to do something about it."

Sierra Madre Lions Club Joins In White Cane Event

Lions Club White Cane Days have been announced for Friday and Saturday, October 2 and 3 and this year the Sierra Madre Lions Club members join with other Lions Clubs in Los Angeles County in a drive for funds for their Blind and Sight Saving Work.

"Wear a White Cane as a symbol that you care for those who lack full vision," says Lion Ben McGee, in inviting local residents to share in supporting the club's program.

Local Lion members are planning to donate their time and effort to obtain funds on these two days. They will be on the street asking for your assistance, and you will find jars for your nickels and dimes in various stores throughout the city.

A few years ago, the Lions in charge of the drive, after much effort and help from the members, conducted one of the most successful drives in the club's history. The response from the community was extremely satisfactory and a sizeable fund was collected. These funds were used to purchase a machine which was donated by the club to test the eyes of children in the schools.

Naturally our fellow Lions felt very gratified that the club efforts had resulted in so valuable a gift being donated to help the children of parents within the community.

The story has a very surprising twist. When the machine was tested, it was found that the machine was not working properly.

Two days after this month passes we will go to the polls and after that day the indecision and changing of minds will be stilled for another four years.

You will see many things transpire during this month... demonstrations that as of now you would not believe... but as I have often stated... "This, too, will pass," and after November 3 we will turn our attentions to many other things which are far more important than the time just passed.

I heard quite an interesting expression the other day: "Money is a necessity; so is dirt." Money comes in many different varieties... so does dirt... Think it over.

A personal letter to the editor read in part... "All this talk about 'Conservatives' and 'Liberals' in politics makes me wonder just what is the difference between them. Can you give me a simple answer?"

Since entire volumes on the subject of these differences have been written, a simple, uncomplicated answer is well nigh impossible. Generally, a Conservative was one who was fairly satisfied with things as they were and tried to keep them so; while the Liberals favored a "try something new" concept. Actually, at the present time, it is better to think of the terms "liberal" and "conservative" as adjectives rather than nouns.

One can no longer state that Republicans are usually conservative and Democrats are liberals, as today we find both in either party. Remember, my answer is perhaps too broad... these terms have many ramifications.

Here's something that will shake you... knowing that the Elephant is very popular this month and during the first few days of November, I wrote into a very learned publication the following question:

"Is it true, than an elephant never forgets?"

My answer was quick in coming. "No," states the publication. "In fact, an elephant's memory is not at all above average. Circus elephants must rehearse often to remember their routines."... Isn't that something?... I'll just bet they are not afraid of mice, either.

Here's another question that was answered for me, and one that is of interest to the general public, as I have heard it asked many, many times:

BOB CLARK, owner and manager of Clark's Paint and Body Shop, stands proudly by his "24 hour service tow truck." Sierra Madreans now have their own towing service they can call upon and a very unique one at that. Bob built the tow truck in its entirety and it has many features not found on ordinary tow trucks, a real boon to the service he offers at his complete auto body and paint shop at 15 Auburn Ave.

Day or Night — 7 Days a Week

Sierra Madre To Receive New Service By Bob Clark

A new service to Sierra Madre residents came into being this week when Bob Clark, owner and operator of Clark's Paint and Body Shop announced that he had just completed the building, and now has in service a tow truck to take care of all towing services in the area.

As near as can be recalled, Sierra Madre has not had such a service in its community for the past 12 to 15 years, and local persons needing such service have had to rely upon police recommendation of outside concerns. Now you are asked to tell your police officer that you want Bob Clark's Towing Service to take care of your needs.

This new equipment was entirely built in the body shop of Clark's, taking a three-quarter ton Chevrolet truck and welding on the boom, and took over three months to complete.

Besides the services of towing, this equipment has the necessary attachments to start your car when it is found you have a dead battery. Further, this equipment has facilities to lift or move large articles that cannot be moved otherwise, and can pull trees and stumps of some sizes.

Local Sculptress Wins First Prize

At the Laguna Beach Art Association Gallery in Laguna Beach, an October membership Exhibit was held. A local sculptress, Mrs. Paula Randall, won first prize in sculpture. She resides at 441 Ramona Ave. in Sierra Madre.

The director of the gallery is a former Sierra Madrean, Roger J. Armstrong.

Police Dept. Stress Safety In Use of Skates, Coasters

The police department would like to take this opportunity to bring to the attention of parents and children in the City of Sierra Madre 5249: Use of Coasters, Roller Skates and similar devices restricted.

"It shall be unlawful for any person upon roller skates or riding in or by means of any coaster, toy vehicle or similar device to go upon any roadway or upon the sidewalk in any business district."

In the business area, where pedestrian traffic is heaviest, skate boards have presented a serious problem to pedestrian traffic. There are actually three areas of concern regarding the use of skate boards anywhere in the city of Sierra Madre:

(1) Pedestrian safety.

(2) Safety of the rider of a skate board.

(3) The motoring public.

It is the hope of the Police Department that the children of Sierra Madre are able to enjoy their community with a maximum of safety. While skate boarding can be enjoyable, it can at the same time be extremely dangerous.

Five La Salle Seniors Are Semi-Finalists

Brother S. Martin, FSC, principal of La Salle High School, announced recently that five of the school's students have been named semifinalists in the 1964-65 Merit Scholarship competition. The boys became semifinalists through their outstanding performance on the National Merit Scholarship Qualifying Test. This test of educational development was given in more than 17,000 high schools last March.

The students cited for their high achievement are James Blackstock, son of Mr. and Mrs. James Blackstock, 3455 E. California, Pasadena; John Crawford, son of Mr. and Mrs. Kenneth Crawford, 412 W. Manzanita Drive, Sierra Madre; Thomas P. Faherty, son of Mr. and Mrs. John Faherty, 1812 West Drive, San Marino; Anthony Finnerty, son of Mr. and Mrs. Anthony Finnerty, 257 E. Calaveras, Altadena, and Thomas J. Powers, son of Mr. and Mrs. Joseph Powers, 160 W. State, Pasadena.

Guild, was organized in England in 1882, when women were asked to sew for orphan children.

The first chapter was established in Philadelphia in 1815 and articles of clothing were collected for the needy. Today more than 400 branches have been established in 37 states and several million articles of clothing have been distributed.

The unusual part of this organization is the fact that there are no general meetings, no dues, and no publicity. Three weeks prior to the "Ingathering Tea" announcements are made regarding the organization.

The following directors are responsible for the success of the Sierra Madre group: Mrs. Arthur Benedict, Mrs. William Broughton, Mrs. Claude Brown, Mrs. Hugh Colvin, Mrs. Walter R. Dedrick, Mrs. Paul Barksdale d'Orr, Mrs. Carl Hansen, Mrs. Allen Hicks, Mrs. Ralph Jones, Mrs. J. Baxter Jovenat, Mrs. Robert Michael, Mrs. Marian O'Conner, Mrs. Draper Phillips, Mrs. Trule Sewall, Mrs. M. Dyer Tumilty and Mrs. Nathaniel Van De Verg.

Woman's Council Of Assumption To Hold Annual Tea

The home and gardens of the J. Arturo Gutierrez family, 3265 Fairpoint, Pasadena, will be the setting for the annual membership tea of the Women's Council of the Assumption of the Blessed Virgin Mary Church, on Thursday, Oct. 1, from 1 to 3 p.m.

The tea table will be presided over by the group's past presidents, including Mmes. David Pearson, Charles Brinton, William G. Weigel, John McKenna Jr., M. J. Kitchens, Gerald Ferracone, John F. Wiles, Charles Klingerman, Cyrus Maggio, Donn R. Kuntz, Richard J. Clarke and J. A. Conway. Mmes. Robert R. Kealey and T. S. Markov are co-chairmen of the affair and will be assisted by the room mothers of the Assumption School.

Featured during the tea will be the latest fall fashions from the Plaza Shop in Sierra Madre, modeled informally by council members.

A cordial invitation is extended by Mrs. Wright and by Membership Chairman Mrs. James A. Fay to all present and prospective members of the Women's Council to attend this pleasurable event.

MRS. JACK HEGEMAN

Joyce Bennett Becomes Bride of Jack Hegeman In Afternoon Ceremony

White satin ribbon and bows decorated the aisle and with white flowers, fern, and candles in the Breese Church of Nazarene in Pasadena on July 18, at 4 p.m., when Joyce Bennett became the bride of Jack Hegeman of Altadena.

The Rev. Richard Cooney officiated at the lovely ceremony, and the ever-popular songs, "Calm as Night," "Because" and "The Lord's Prayer," were sung by Mrs. Sue Engen, daughter of Lou and Ruth Sauters, a close friend and co-worker of the bride.

Given in marriage by her brother, Paul W. Bennett, the bride was radiant in a floor length gown of white peau de sole with a lace over blouse, long lace sleeves, lace trimmed Queen Bess neckline and lace chapel train. Her veil was held by a crown of seed pearls, and her bridal bouquet was a white orchid surrounded by cascading pink roses.

Serving the bride were Mrs. Robert Proulx of Los Angeles and Mrs. Ralph Miller of South Pasadena. Both were roommates of the bride in college. The attendants wore identical street length gowns in aqua chiffon with white lace overblouse. Their headpiece was a circlet of aqua net and they carried bouquets of pink roses.

Bruce Robbins served the bridegroom as best man. The ushers were Dr. George Marples of South Pasadena and Mr. Jerry Blackman of Sierra Madre.

The bride, being a teacher at the Sierra Madre Elementary School, invited her entire fifth grade class to attend her wedding. Those who attended were privileged to appear in one of the bride's photographs. They were Debbie Pratt, Lynda Leonard, Patty Green, Elizabeth Cheadle, Grechen Beilstein, Mara Lee Christianson and Missy Chambers.

Following the wedding a reception was held for 150 guests in the church lounge. The color scheme of pink and aqua was carried throughout and a lovely traditional wedding cake with a personal touch was the highlight of the reception table. The cake was three tiers, topped with three wedding bells. Between one layer, to please the bride, was a miniature school house, and because the bridegroom has the interesting hobby of collecting and repairing antique clocks, a miniature grandfather's clock was between another layer. The cake was white with pink decorations and a cool aqua punch was served.

The newly married couple left for a wedding trip up the coast line, Santa Barbara and Carmel being on

We're Going to be YOUR NEIGHBOR

One of these days, a long-time wish of ours is going to come true — to have a Sierra Madre Branch of Bank of America.

Our first home will be in the new Pangborn Building, now being built at the corner of Sierra Madre Blvd. and Lima St.

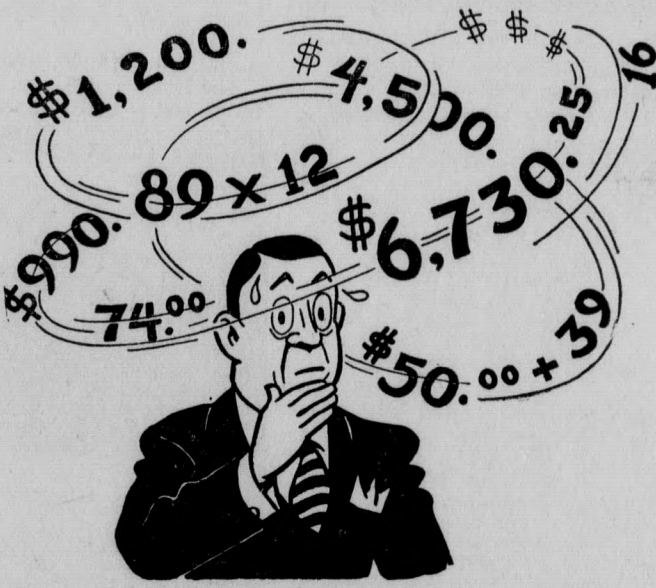

The way things look now, we'll be in sometime in February.

You'll find many conveniences — including ample parking space. Parking is so important these days. You'll drive in on Lima Street and out on either Sierra Madre or Lima. You won't even have to turn around.

That's how easy we plan to make ALL of your business with us.

See you in February!

'MEMOS' FROM YOUR Stylist

by LOLITA

Your nails, made up of layers of keratin, the protein substance also found in skin and hair, break for a variety of reasons. Diet deficiencies, too much immersion in sudsy water, careless filing and neglect, are prime causes of nail breakage.

Correcting a diet deficiency as a step toward healthier, harder nails calls for a balanced diet, rich in Vitamin A and including Vitamin D. Citrus fruits, milk, honey, liver, nuts and grapes are particularly helpful in correcting this problem.

Let's consider another problem — one relating to your hair. Whatever the cause, if your hair just simply does nothing for you, you have a problem which will be beautifully corrected at PETITE BEAUTY SALON. 3 Alverno Girls Semifinalists For Scholarships

Sister M. Benigna, OSF, principal of Alverno Heights Academy, Sierra Madre, announced recently that three of the school's students, JoAnne Carroll, Jane Driscoll and Nancy Iredale, have been named semifinalists in the 1964-65 Merit Scholarship competition.

They are among 14,000 seniors throughout the country who attained semifinalists status. This group is composed of the highest scoring students in each state and in United States territories. Each semifinalist now moves a step closer to winning a four-year Merit Scholarship to the college of his choice. Semifinalists must substantiate their qualifying test performance on a second examination, be endorsed by their schools, and fulfill certain routine requirements to become finalists.

About April 28, 1965, the names of the Merit Scholars will be announced, the exact number depending on the extent of sponsor support of the Merit Program. In 1964 NMSC and sponsors together awarded about 1,625 Merit Scholarships. Each scholarship is a four-year award to cover the undergraduate college years. The recipient's stipend is tailored to his need.

KAY HOLST Engagement Announcement Of Kay Holst

The daughter of Mr. and Mrs. Vincent Carroll, Pasadena, Miss Carroll is the editor of the school newspaper, La Tilma. Miss Driscoll, whose parents are Mr. and Mrs. W. Gerald Driscoll, Arcadia is a nominee for a senior class office. The daughter of Mr. and Mrs. Richard Iredale of Arcadia, Miss Iredale is a co-editor of the yearbook, Troubadour. She was the recipient of a National Science Foundation grant for advanced mathematics study at UCLA this summer.

The three semifinalists are members of the National Honor Society.

Michael Jeide Jr. Celebrates His First Birthday

Michael Alexander Jeide Jr. celebrated his first birthday on September 4, but a birthday party was held on the following Saturday evening, September 12 for family and close friends. Mr. and Mrs. Jeide served ice cream and cake with the help of their daughter, Heidi, 7½ years old. Mike Jr. also "helped" by feeding himself.

Those in attendance were Mrs. Margaret Walton of Leucadia, the great-grandmother, who was here on a visit; the grandmother and step-grandfather, Mr. and Mrs. Pete Brown of Temple City; and the grandfather, Mr. Win Jeide of Burbank. Also helping Michael celebrate were his godmother, Mrs. William Barnes of Sierra Madre and her husband, and daughter, Donna; and godfather, Mr. Nels Halte with his wife and daughter, Heidi, of Sierra Madre. The honorary aunts and uncles were Mr. and Mrs. Blummer of Los Angeles, and Mrs. Margaret Miller of Sierra Madre.

Unable to attend were Mr. William P. Roble, a grandparent of El Paso, Texas; Miss Pat Jeide, aunt, of San Francisco; and Mike Jr.'s step - great - grandmother, Mrs. Alice Brown of Temple City because of illness.

Get Together For Hi School Alums

Attention, Monrovia, Arcadia and Duarte high school alumni, there will be an all classes dance and get-together for alumni on Saturday, October 3, at the Elks Club in Monrovia at 9 p.m. Everyone is welcome to come and see old friends and make new ones, announced the committee.

A popular band will play old songs, and there will also be a piano bar. Advance sales or tickets may be purchased at the door. Admission will be \$1.25 per person.

Police Department Stresses Safety

tremely dangerous. The department would like to emphasize that skate boards may not under any circumstances be used in the commercial or business district. While skate boarding is not restricted in the residential zones, we would like to re-emphasize that extreme caution must be taken in the operation of skate boards.

We would like to stress further that it is extremely difficult and at times impossible for a youngster to hear an approaching vehicle above the clatter of the wheels on the skate board. We would encourage youngsters using skate boards in residential areas to ride them on the sidewalks and not in the street. We would further solicit their cooperation in not riding skate boards in residential areas where there is pedestrian traffic or small children playing on the sidewalks.

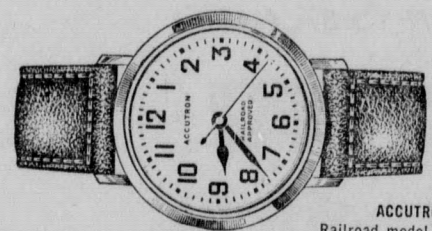

Riding skate boards and driving automobiles are very similar in regard to the old saying: "A courteous driver is a safe driver."

The department has been engaged in an effort to personally contact and warn children who are riding skate boards in restricted areas, and those who are riding skate boards in residential areas in a careless manner. We hope for full compliance with this ordinance so that a more rigid enforcement program will not be necessary. However, if violations persist, the department will have no choice but to rigidly enforce this section of the code.

Tax Committee

this meeting and to air their views. The prime purpose of this meeting is the organization of the committee into taking action, the selection of a permanent chairman, the decision of which action would have the greatest potential, and the plan for the raising of funds to fight such action.

This committee was called into action on the grounds that Sierra Madre received a \$4 million increase in assessments for the fiscal year and coupled with an increase in the tax levy of approximately 44 cents placed many property owners in the position of being literally "taxed out of their homes."

"Now, is the time for action," stated Temporary Chairman Stetson, "If we do not act within the next few weeks, our cause for the current year will be lost for ever, and we have nothing left, but to plan the fight for the coming years," he concluded.

Sierra Madreans will be paying \$309,128 more than the taxing agencies asked for or expected to receive when they adopted their budgets this year . . . Can we retrieve it, is the question of the committee?

Monrovia GOP

ial on Senator Goldwater available and information and fact sheets on his position on the issues. We would like to extend a warm invitation for everyone to come in and say hello." A special welcome will be waiting for Democrats and Independents who desire more information on Senator Goldwater.

Arthur Guy, chairman of the Citizens for Goldwater-Miller for Los Angeles County stresses the importance of the role played by volunteers in today's elections. Mr. Anderson declared, "The hundreds of thousands of members who have joined our Citizens for Goldwater and Miller attest to the fact that Southern California is politically aware and astute. As a matter of fact, it is not impossible that Los Angeles County could be the key to Senator Goldwater's victory." Guy said at an organizational meeting of the Republican volunteer group at the Ambassador Hotel.

The phone number for Goldwater-Miller headquarters is EL 7-1925.

Legion Auxiliary Next Meeting October 8

Sierra Madre Unit No. 297 of the American Legion Auxiliary met on Thursday, September 24, at the home of Mrs. Ted Proctor for a social evening. A surprise visitor was Mrs. Ora Olson of Seal Beach. Mrs. Olson, a non-resident member is a past president of the unit.

Games were played and a social hour was followed by refreshments. The next meeting is a business meeting on October 8 at the home of Mrs. Helen Wheeler, 672 Brookside Lane.

Any wife, daughter, sister or mother of a veteran belonging to the American Legion or of a deceased veteran who served in one of the three wars is invited to join this organization.

Services at Science Church

"Thou wilt keep him in perfect peace, whose mind is stayed on Thee: because he trusteth in thee." This quotation from Isaiah (26:3) is the central theme of the Bible lesson to be read at Christian Science churches on Sunday.

Also included will be this quotation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Human sense may may marvel at discord, while, to a diviner sense, harmony is the real and discord the unreal" (p. 563). Subject of the Lesson-sermon is "Unreality."

Introducing Comet 1965:

livelier, more beautiful
sequel to the World's
Durability Champion

We couldn't make Comet much tougher, so we made it more beautiful. Made the outside sleeker, sportier—from every angle. Made the interiors more luxurious. Made every engine bigger, from the 200 cu.-in. "6" through the hefty new 289 cu.-in. Cyclone Super V-8 (225 hp). Made the ride even smoother, more solid and silent. The one thing not new in this racy '65 sequel is the stamina that made Comet the World's Durability Champion. You wouldn't want that to change, would you? It didn't.

Santa Anita Church Offers Tuitional Courses

The Santa Anita Church, 226 W. Colorado Blvd., Arcadia, will present tuitional courses beginning in October in the study of Truth Principles, including the basic principle underlying Religious Science. The practical application to every day living will be stressed. This type of course work is invaluable to the individual who seriously desires to lift his world above inharmonious, sickness and poverty and establish his life on a spiritual basis, according to Dr. Dr. Ethel Barnhart, minister.

Three courses will be presented: a Basic Course in Truth for beginners, an advanced course for the advanced student and a Practitioner Course. Those satisfactorily completing the basic or advanced course will receive credit toward the practitioner course. Those satisfactorily completing the practitioner course will receive a practitioner license from the Santa Anita Church.

Catalogs are available giving full description of each course. The courses are open to the public. For further information and enrollment, call the church, HI 6-8206.

Bethany

Bethany Church of Sierra Madre will join with millions of Christians around the world in observing World Wide Communion Sunday, October 4, at the 11 a.m. worship hour at the church, 93 N. Baldwin. Dr. Clarence S. Roddy, professor at Fuller Seminary will bring the communion meditation and will be assisted in the service by Rev. Hugh S. Bell Jr. Dr. Roddy is serving as interim pastor in the absence of Dr. Robert N. Schaper who, with his wife, is on a world tour of missions. Dr. Roddy will also preach at the 7 p.m. service.

A new teaching program, fourth in a series of six courses, will begin for the 12-week sessions on Sunday evening, October 4, at 5:45 p.m. This course is entitled, "Teaching Techniques" and will be taught by Rev. Harold A. Ankeny, minister of education at the church. Mr. Ankeny will leave Monday morning for Portland, Oregon, to attend the National Directors of Christian Education convention and the National Sunday School Association convention, which runs through October 9.

Mr. John Kershaw, Sunday school superintendent at Bethany Church, announces

Church Notes

that the entire Sunday school teaching staff is "group registered" for the Greater Los Angeles Sunday School Convention meeting, October 1, 2 and 3 at Pasadena. The convention is standing speakers and workshops will be a part of the three day convention which focuses on the theme, "A Walk Today Through Bible Times." The public is invited to attend the sessions beginning with the first public rally on Thursday evening at 7:30.

Dr. Roddy cordially invites the public to attend the services of the church which include in addition to the one listed above, Sunday school at 9:30, Youth Christian Endeavor at 6 p.m. and Bible Study and Prayer at 7:30 on Wednesdays.

Rev. Armin Hesse Lists Weekly Church Activities

"Near, and Yet So Far!" will be the pulpit theme of the Rev. Armin Hesse in the 10:30 Sunday morning worship service at Faith Lutheran Church, 845 Hastings Ranch Drive.

This message will concern the words of Jesus, spoken to the inquiring scribe, "Thou art not far from the kingdom of God," as related in St. Mark 12:28-34. The Senior Choir will sing Ray Linson's arrangement of "Praise Ye the Father" (F. Fleming). For the prelude and offertory organist Donald Knuth will play J. S. Bach's "Selections from Passacaglia in C Minor," some of the composer's most renowned work.

At 9:15, the Sunday school departments will observe Rally Day, inaugurating the new Sunday school year. Superintendent Norman Miller announces that new pupils, age 3 up, will be welcomed and enrolled, and that the classes for the new year will be announced. The following will be installed as members of the teaching staff: Mrs. Yvonne Osti, Mrs. Gladys Moore, Mrs. Freda Bernard, Mrs. Janet Rutz, Mrs. Jimmie Burke, Mrs. Marge Silvera, Mrs. Carmen Jacobson, Mrs. Esther Leehy, Mrs. Julane McCann, Mrs. Jane Whaley, and the pastor. Instructors in the Bible departments will be: Dr. Leonard Rutz, Junior Bible; Dr. Donald Garner, Young Adult Bible; Dr. W. A. Schroeder, Adult Bible.

Meeting in the church sanctuary at 9:15, Dr. W. A. Schroeder will initiate in the Adult Bible Class a study of the Book of Revelation. On Thursday evening of next week, the second session of the Adult Church-Membership Study Class will be conducted from 8 to 9:30 by the pastor in the parish hall. This class is especially designed to acquaint non-members with the teachings and principles of the church.

On Tuesday and Wednesday of next week, Pastor Hesse will attend the sessions of the Sierra Pacific Lutheran Pastoral Conference, to be conducted at the Uplander Motor Hotel in Upland.

Dr. Barnhart Preaches From Beatitudes

"Attitudes That Assure Your Good" is the sermon topic of Dr. Ethel Barnhart at the Santa Anita Church, 226 W. Colorado Boulevard, Arcadia, Sunday morning, October 4, at both the Family Worship 9 o'clock service and the 11 a.m. Worship Service. This is the first of October sermons based on the Beatitudes of the Sermon on the Mount. The understanding and application of the Principles involved in the Sermon on the Mount meet the needs of man today to free him from a world of disease and suffering. Inspirational music is provided by Dr. Irma Glen, organist and minister of music, and Mr. Mackey Swan, soloist. Child care is provided at both services. You and your friends are invited.

The program of the Junior Church is designed to give children a sound spiritual basis upon which to build their lives and meets at 9 a.m. Sunday mornings. All children are invited to come and bring their friends.

The Youth Activity meets at 7 o'clock Sunday evenings, under the leadership of Mr. and Mrs. C. A. Leach Jr.

Dr. Barnhart will conduct a "Workshop in Better Living" Tuesday morning at 11 o'clock on October 6. All are welcome.

Call the church, HI 6-8206 for information concerning the fall courses in Truth Principles.

Franco's Head For Europe Again

Mr. and Mrs. F. A. Franco, formerly of Sierra Madre, are off to Europe again.

Their first trip was made upon Mr. Franco's retirement in April of 1962.

At that time they left here for London where their son Lt. Cdr. F. A. Franco was stationed. After having spent 2½ months in Great Britain and touring through Scotland and Ireland, they traveled on to see the countries of Belgium, France, Spain, Italy, Germany, Luxembourg, Monaco, Switzerland and Portugal. After traveling more than 18,000 miles on their European trip they returned to the good old USA.

Now their excuse for returning to Europe is their daughter, Winifred, whose husband, a professor in philosophy at Notre Dame, will be teaching and lecturing at the University of Madrid for one year. They wanted their parents to join them so Mr. and Mrs. F. A. Franco could not say no. A bon voyage party was given for them at the home of Mr. and Mrs. L. N. Franco of Sierra Madre.

Letters To The Editor

Dear Editor:

Many of our churches have today addressed their attention to directing people how to vote on Proposition 13, on the basis that this is a "moral issue." Of course many of the church-going people disagree and it has become the basis for church and family splits.

We certainly wonder when our churches will break apart from the Communist inspired leadership of the National Council of Churches of Christ and return to the separation of church and state.

Funny no mention has been made of how the Christian should vote on Proposition 13 concerning gambling or did the church misprint its bumper sticker numbers?

—I. EMMA HASSLE

Dear Editor:

A YES vote on proposition 17, on November 3, will end featherbedding on California railroads in accordance with the agreement reached by management and labor in the presence of the President of the United States. Union men still worry about the safety of long trains with short crews. Safety and reliability are advantages railroads offer and which management would be foolish to sacrifice. The safety aspect was resolved by several presidential study commissions before an agreement was negotiated on the national level.

The only difference in California is the presence of an obsolete state law, second line of featherbedding defense. Subject to approval by California Public Utilities Commission, Southern Pacific Company and Brotherhood of Railroad Trainmen have already agreed to eliminate certain third brakeman positions by attrition, and thereby cancelled part of the California law.

Proposition 17 is not a question of railroad safety, but of responsibility. It proposes to take work rules decisions out of politics and to place them in the hands of labor experts and responsible managers, who are in the best position to know what is needed.

—K. FRITZ SCHUMAKER Former railroad

Dear Editor:

The time for fun and games is over. This country is exactly one month away from the sickening, bottomless, clutching morass of socialistic greyness.

Sound dramatic? Tragic is the word.

The United States, if the

liberals are elected, will have travelled the road from the proudest and finest Constitutional Republic ever conceived, down to abject prostration before world collectivism.

Now! Lets' work! Pass those books out! Talk! Make 'em listen to BARRY instead of the lies, innuendoes, smears and filth which saturates radio, TV, newspapers (with one exception) and magazines.

The polls, as usual, aren't even close. When were you last polled? Who actually listens to the PEOPLE?

—STIFBAK

Sierra Madre To Receive

Bob Clark, captain in the Volunteer Fire Department for the past 23 years, has been very active in civic affairs, doing welding for the Sierra Madre Float without charge and various small jobs for civic organizations of the community. He operates Sierra Madre's only complete auto body and paint shop and has added this new equipment to his

shop at a cost exceeding \$3,000. This service is offered to you on a 24-hour, 7-day a week basis, and can be obtained by calling 355-1755 days and 355-6827 nights. So the next time you need this type of service, help keep Sierra Madre dollars at home—call your local towing service, centrally located at 15 Auburn Ave.

There will be a poll next month—on election day. It will be perhaps the very last time WE have a say. I think the votes will be there, but just to be on the safe side, do this. Make sure that in each and every precinct there is at least one of us, late at night, at the counting table. Put absolutely nothing past those whom we fight. Or have you forgotten Cook County?

The countdown has started. Don't fail now. In your heart you know he's right.

College Women's Club Welcomes New Mothers

Mothers of Occidental College students who live in this area will formulate plans for the coming year when they meet Thursday, October 1, at 10 a.m. at the home of Mrs. Lucian J. Harris Jr., 530 Gloria Road, Arcadia. Mrs. Harris is Occidental College Women's Club chairman for this area. Special guests at the coffee hour Thursday will be mothers of incoming freshmen and transfer students, however, mothers of all Occidental students in this area are urged to attend.

Occidental College Women's Club is an organization of mothers, alumnae, faculty and friends devoted to the welfare of Occidental students, united by a common bond of interest in the college, its projects and its goals. The club's plans for the college year include monthly programs, a holiday boutique on November 13, and two series of travel lectures.

In preparation for the holiday boutique, craft workshops are being held in which all Occidental mothers are urged to participate. Mrs. L. Sherman Trusty, president of OCMC has opened her home at 560 Bradford, Pasadena, each Tuesday between 10 a.m. and 4 p.m. On Wednesdays, mothers are meeting at the home of Mrs. King Robey, 1004 Topeka St., Pasadena, and on Thursdays at the home of Mrs. Theodore J. Bronson, 10005 Washington Ave., South Gate.

Sierra Madre Lions Club

chine was put to use, the first tests were run on children in the third grade and surprisingly enough one of the first children to be tested was the 9-year-old son of our Lion member.

It seemed that the boy had developed a serious eye impairment, but because it was found and properly diagnosed early, the boy was referred to an eye surgeon and the impairment was corrected without delay. Possibly a partial loss of sight would have resulted if the trouble had not been found at that time.

When you see the Lions Club members downtown on Oct. 2 and 3, remember that anything you contribute will be used for the preservation

of sight. The majority of the funds will be used here in the city of Sierra Madre. If you have occasion at a later date to find any individual who requires, but cannot afford, eye care, report the case to the Lions Club at which time the problem will be checked and help extended with funds from the White Cane donations.

PTA Sponsors Membership Drive Starting October 5

"Tell the U.S.A." is this year's PTA membership drive theme.

The Sierra Madre PTA announces the membership drive will be conducted October 5 through October 13.

In joining the PTA parents not only will be aiding throughout the state to carry out the aims of PTA, but will make possible the qualifications of their child's room to tell the people of the USA via the air currents of their fete in the membership drive contest.

At the conclusion of the drive these rooms will launch gas filled balloons containing a letter asking the finder to notify the Sierra Madre PTA where and when the bulletin was found. Two prizes will be awarded at each school for the balloons which travel the farthest.

Membership is not limited to those in school. Everyone is invited to join to carry on the work of PTA throughout the world at the nominal charge of 50 cents. Mrs. Rosemary Abernethy, membership drive chairman, announced.

Dog Training Now Offers Class Sat. Afternoons

The Santa Anita Dog Training Group will be starting the first Saturday afternoon class of the fall season at Arcadia County Park. These classes are very popular in the afternoon now that the summer heat is over, so a Saturday afternoon class has been added to the group's schedule, starting on Oct. 10 at 1 p.m. There also will be an evening class starting Wednesday, Oct. 7, at 7 o'clock—as well as one in West Covina on Tuesday evening, Oct. 6, at 8 o'clock.

These classes are not just for the problem dog, as any dog needs and deserves an education. For further information, please call Hillcrest 6-6858 or Elliott 9-1481.

October 4 to 10

Fire Prevention Week To Be Observed By All Schools

"Fire Prevention Week, October 4 through 10, is a time for all of us to renew our vow to help save lives and property by preventing fires." Fire Marshal Bert Embree made this statement in view of the recent devastating fires that raged out of control for many days in other parts of the state. Incalculable damage has been done to the valuable watershed, to say nothing of the homes and lives that were lost.

As in the past, Marshal Embree again is driving this point home to the children in the city by presenting fire prevention programs in the school assembly periods during the week. Various other activities will be in progress during this nationally recognized observance.

Magician's Show At Don Benito Saturday, Oct. 3

With a paper drive set for 9 a.m. to noon and a magician's show at 11, the Don Benito school will be a busy place on the morning of Saturday, October 3. Both of the events are PTA-sponsored.

In the school auditorium, Larry Nelson, "The Children's Magician," aided by his bird and animal assistants, will present such mysteries as "Birds of the Air," "The Haunted Barn," "The Three Chipmunks," "Rocket to the Moon," "Peter Rabbit Goes to Town," "Here, There or Where," "The Clowning Kates," and many others.

Tickets, at 35 cents each, are already on sale in the Upper Hastings Ranch, wherever there are "Tickets Here" signs. Tickets also will be available at the door of the auditorium, according to Mrs. Meir Drubin, chairman of the event.

For the paper drive, tied newspapers should be taken to the Hastings Ranch Loading Circle. A trophy will be presented to the class contributing most newspapers, Mrs. Ben Cagle, chairman of the drive, announced. Those who cannot bring their papers to the school should call Mrs. George Ettenheim at 355-0072 to arrange for pick-up, Mrs. Cagle said.

Fire Chief Charles Brown and the Volunteer Fire Department are planning the annual open house at the fire stations to be held on Saturday, Oct. 10. Details will be issued at next week's issue of the News, when plans are finalized.

With fire prevention in mind, it again is reminded that all of the mountainous brush areas above the city are closed to entry. Periodically it seems hard to justify the closing of the trails in our beautiful hills, but last week was a grim reminder of the reason and intent—to prevent the disastrous damage caused from a brush fire.

Brown and Embree are elated over the cooperation that the residents have shown this year. There have been very few instances that the closure has been violated, and these were generally children, pointing up the importance of parents making sure that their children are aware of the dangers and keeping them out of the mountains.

The Volunteer Fire Department has had comparatively few calls this year, and a negligible amount of fire loss. They feel this is from the public education program by the department, and of the cooperation of the citizens in helping to make Sierra Madre safe from fire.

Carol McDonald Leaves For Overseas Study

When 42 students and their faculty adviser left the Lewis and Clark College campus Sept. 30 to start for two terms of overseas study, Carol McDonald of Sierra Madre was in the group going to France.

The 21 students who are bound for France, accompanied by Peter Nagy-Farkas, instructor in music, will fly to New York and then to Luxembourg via Icelandic Airlines.

The program will begin with a month's homestay, arranged by the Experiment in International Living, with French families at Besancon in southeastern France near the Austrian-Italian border. Following some time for travel, the students will concentrate on their academic program in French language literature, history and politics in Strasbourg on the Rhine River.

Although the program in all countries follows a general pattern, said Dr. Clifford Hamar, overseas studies director, "We keep it flexible in order to take advantage of outstanding lecturers, tours and other special opportunities for international understanding."

Another group of 21 left the same day by bus for Juarez, Mexico, on their way to Merida, Mexico. In March a third group will go to Yugoslavia to spend the spring and summer terms in the Balkan country.

All students in the project participated in an orientation program before leaving the campus.

Miss McDonald is the daughter of Mr. and Mrs. Alex McDonald of 167 E. Highland, and is a junior this year.

Editorially Speaking....

More Depressed!

A wonderful gimmick for denying the public the right to public information is related in the current issue of Reader's Digest. A Digest writer, trying to find out from a top Area Redevelopment Agency why the Agency hadn't investigated the principals of an ARA-approved promotion that bilked the people of a small Texas town, was told:

"Our attorneys advise us that Title 18, U.S. Code, makes it a crime to disclose confidential information on an applicant's financial status."

But, pursued the writer, how about non-confidential information?

The answer: "Our legal department advises that it would be mechanically impossible to separate the confidential material from these reports, and that this would have to be done in order for us to stay within the law and protect the privacy of the applicant's business."

If the suspicion arises that the Agency may be more interested in protecting itself than the applicant (forget about the taxpayers, naturally), well — here are the facts, as described in the Digest article:

Crocket, Texas, a lucky town of 5350 people, was designated a depressed area and therefore entitled to federal largesse under the new ARA handout program. ARA officials brought the president of a firm called Audio Electronics to town, introduced him to leading residents, and described a wonderful plan whereby Audio Electronics would build a plant to manufacture a new invention. The firm would put up \$147,000, the ARA would loan \$382,000, and the people of Crockett would raise \$58,000 to pay for the plant site.

A meeting was held to announce that ARA had approved the loan. Local Democratic party officials were on hand, and there was a loudspeaker-telephone hook-up with Washington from which came the voice of Texas Senator Ralph Yarborough:

"It is highly pleasing to me to be authorized from the White House to announce to my friends in Houston County that you are going to gain a fine new industry — one that will provide new jobs for 180 people, add new strength to your area."

Quickly, the people of Crockett subscribed \$58,000 for the plant site. Some also invested their life savings in Audio Electronics stock. Ground-breaking ceremonies were held, attracting a crowd of 3500, including Senator Yarborough. A huge signboard proclaimed, under the signature of the President of the U.S.: "We're creating MORE JOBS FOR AMERICA."

Two days later, construction of the plant was to begin, and 300 people came out looking for jobs. But nothing happened. Nothing ever did.

The Reader's Digest writer who set out to find out why discovered, among other things, that Audio Electronics was under investigation by the Securities and Exchange Commission, and that its president was being sued for stock fraud. It's hard to get much information out of the ARA. But one thing everyone knows for sure: Crockett, Texas is more depressed than ever.

Ugly Censorship

The television networks' refusal to accept some \$750,000 from the American Medical Association for spot announcements opposing Medicare has some rather ugly implications.

Television is regulated by a federal agency, the Federal Communications Commission. Medicare is a top priority project of the Democratic administration, and all the resources of government propaganda and pressure are behind it: paid for by the public through taxes, of course. The AMA seeks to spend its own money to warn the people of the dangers to their health care inherent in the Medicare program, and to inform them of the non-socialistic, highly beneficial alternatives already available.

The Association's reaction to the network ban was expressed by AMA executive vice president Dr. F. J. L. Blasingame: "We find this kind of censorship over the people's right to know what is available to them for the benefit of their health a little difficult to understand."

The doctor puts it mildly. Such censorship is, unfortunately, all too understandable, in view of the federal government's life-or-death control over the broadcasting industry.

Total TV

Despite the fact that two Presidential nominating conventions had an almost totally captive audience, surveys indicate that they didn't rate so very high on the viewers' applause meter. Whenever independent stations offered other entertainment, the conventions were clobbered in the ratings.

Nevertheless, the three major networks have indicated that they will continue to compete in full-time coverage of such events, to the exclusion of other offerings. They stated recently that this was required by "practical and journalistic" considerations.

We offer a dissent to that "journalistic." Probably every newspaper in the nation gave its readers the most comprehensive coverage of the nominations and platform battles that it could. Unlike television, however, the press did not deny to its public the other news, the features, the entertainment they were accustomed to having. That, of course, is the unique genius of the newspaper; it doesn't have to say "Read this right now, or never!"

Television has its own unique genius, immediacy. In the field of journalistic coverage, however, it has great strides yet to make.

By H. V. Witte

"We don't want the support of the oddballs of the left or right — ADA or KKK."

—Lyndon Johnson, 1960
"Hubert Humphrey is the most qualified person other than myself to be President of the United States."

—Lyndon Johnson, 1964
These statements would appear to indicate the Democratic nominee for President of the United States to be both a vote-getting political opportunist and an out-and-out devout disciple of ADA's brand of questionable Americanism. Why else would Lyndon Johnson entrust the executive guidance of our country, in case of his death, to Senator Humphrey who only a few short years ago stated that in Europe he would be classified as a Socialist?

On June 20, 1957, on page 9807 of the Congressional Record, Senator Humphrey is quoted as saying: "So far as the ADA is concerned, I, too, am one of its officers. I think it is no secret that on occasion this great organization has seen fit to chastise me, and perhaps properly so. Perhaps I did not understand why at the moment, but their judgment was undoubtedly better than mine."

It has been reported that "In Washington, Humphrey has come to be known as the one-man distillate of all the floating, vote-promising demagoguery of the hour. He has a built-in radar for the politically untrue. In his plump person, he incarnates all the soggy, evangelistic welfare-statism, the mushy unlabeled socialism and the abject One-Worldism of 1964 politics."

In the opinion of this columnist, Lyndon Johnson exposed his hand and made his position crystal clear when he bestowed his blessings on Hubert Horatio Humphrey as the man most trusted to hold office just one coronary from the Presidency.

A declaration of purposes of the Americans for Democratic Action (ADA) if not properly identified as such, could very easily be mistaken as a list of the prime goals of the Communist conspiracy. Some of these current ADA demands are:

1. Recognition that the threat of world-wide Communism has receded, and that hence we can retreat from the Cold War.

2. "Effective and enforced disarmament," with American security transferred to the hands of the United Nations.

3. Coexistence with Castro-ruled Cuba and the attempt to "persuade" Castro to make changes.

4. A "containment" policy in Asia and, by inference, the abandonment of the present "Jungle fighting" in Viet Nam and the renunciation of the use of atomic weapons.

5. Increased trade with Communist-ruled nations.

It is a matter of record that "in previous official declarations, the ADA has called for American recognition and United Nations admission of Red China, no

unilateral American action against Castro's Cuba, unification of Korea under the U.N., support for 'democratic regimes' in Latin America (a Humphrey euphemism for 'Socialist regimes') and 'total disarmament' under control of the United Nations."

No declaration or purposes could better serve the interests of Soviet Russia in its present mortal struggle for world mastery.

According to a House Committee On Un-American Activities report dated October 19, 1962: "Before the bank can be robbed, the guards must be disposed of. 'Before subversive forces within this country can achieve their goal, the country's internal security instruments and agencies must be destroyed or rendered powerless."

"Laws against subversion, the agencies charged with formulating such laws, and those charged with investigating violations of them are integral parts of this country's internal security guard, a guard which the Communists must destroy before their objective of imposing a Soviet-style dictatorship on this country can be attained."

It is only logical that the U.S. Communist Party should do everything in its power to discredit, weaken and destroy all internal security together with anti-Communism in any form.

And who by political philosophy are aiding and abetting the U.S. Communists in their efforts to accomplish this? — The liberal socialists who are either members of ADA or who are sympathetic to ADA principles and objectives.

'President's Day' Begins Activities

Shakespeare Club will open its fall season on Tuesday, October 6 featuring President's Day.

Convening at 1:30 in the auditorium, addresses will be given by Mrs. T. William Heidner, president, and Mrs. William Hannaford, president of the Juniors, with Mrs. James C. Chambers, vice president, presiding.

Worlds of Music, original tales set to music with Ken Remo and Howard Townsend will follow. A graduate of the Curtis Institute, Mr. Remo was 1964 winner of the Metropolitan auditions and has many television, Hollywood and Broadway credits.

Mr. Townsend, graduate pianist-composer, has had his own shows on television and radio with numerous appearances as pianist, announcer and actor. The artists will be introduced by Mrs. Walter L. Benedict, program chairman.

A social hour will follow in Stratford House with Mrs. Robert Bunker, chairman and her committee as follows: Mrs. Elmer Patton Worrell, Mrs. Robert V. Morrison, Mrs. Herbert MacDonald, Mrs. Donald D. Lamont and Mrs. Ben R. Smith.

The Stratford House parlor and tea room will be decorated with a profusion of fall flowers in the bronze, gold and russet shades.

LEGAL NOTICE

ORDINANCE NO. 735
AN ORDINANCE OF THE CITY OF SIERRA MADRE ENACTING AN INTERIM ZONING ORDINANCE PURSUANT TO SECTION 65806 OF THE GOVERNMENT CODE, ESTABLISHING A NEW "CONDITIONAL USE ZONE" IN THE CITY AND IMPOSING THE REGULATIONS THEREOF UPON CERTAIN PARCELS AND AREAS OF THE CITY, PENDING CURRENT STUDIES FOR AMENDMENT OF THE ZONING CODE.
THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN:

SECTION 1. The City Council does hereby find and determine that the amendments hereinafter set forth in Sections 2 and 3 hereof have been undertaken for consideration, in good faith, by the Planning Commission of this City as a portion of a more comprehensive plan and that it is necessary to protect the public health, safety and welfare that this City enact an emergency ordinance a prohibition against all persons from violating the said provisions of the Planning Commission, all in the manner and means prescribed in Section 65806 of the Government Code.

SECTION 2. New Regulations: PART 35 — "CUP" Zone. Section 9410. "CUP" Conditional-Use Zone.

LEGAL NOTICE

Certain areas of the City are so located, so configured or possessed of such geologic features that the residential or other structural use thereof, based upon the experience of past developments, is likely to endanger the health, safety and welfare of the residents by reason of flood, fire, subsidence or erosion, and for said reasons such areas are classified herein as "Conditional-Use Zone," known and designated as Zone "CUP". Section 9410.1. Same. Uses Permitted.

The following public and private uses are permitted in the "CUP" Zone:

A. Flood control channels, spreading grounds, settling basins, freeways, parkways, and permanent open spaces.

B. Parks, playgrounds, wild life preserves, recreation areas, and such non-occupied buildings and structures as are accessory thereto.

C. Agricultural crop uses, provided that no dwellings, either temporary or permanent, be permitted in the zone; and no live stock, propagation nurseries.

D. Water wells, reservoirs, tanks, treatment plants, gauging stations, pumping stations and any use normal and appurtenant to the obtaining, storage or distribution of water.

E. Electric transmission substations, electric distribution stations, communication

LEGAL NOTICE

tions equipment buildings, microwave radio and telephone transmission facilities used in the operation of public utility functions. Section 9410.2. Same. Uses Permitted. Conditionally.

The following uses may be permitted in the "CUP" Zone only if the location and development are first approved by the Planning Commission as a Conditional Use Permit as provided in Section 9410.5 of the Sierra Madre City Code.

A. Residential uses.

B. Structural uses except as permitted in Section 9410.1 hereof.

Section 9410.3. Same. Property Development Standards.

All property in this zone shall be developed in accordance with requirements specified in the Conditional Use Permit granted by the Planning Commission; yards, frontage and other development standards shall be prescribed therein.

Section 9410.4. Same. Permit Criteria.

In the following the procedures set forth in Section 9410.3 for the processing of a Conditional Use Permit in a "CUP" Zone, the Planning Commission shall apply its criteria — for approving, conditionally approving or denying an application — a determination of whether the proposed development will or will not substantially increase the risk of flood, slide, subsidence, drainage run-off, fire or other damage from the elements upon the subject lands or structures, and the Planning Commission shall include a summary of its findings as a part of its official action.

Section 9410.5. Same. Procedure.

The procedures for processing a Conditional Use Permit under this Part shall be set forth in Sections 9450, 9563 and 9564, provided that if the provisions of the Subdivision Map Act preclude a public hearing on a subdivision, then such shall be processed without necessity of a public hearing.

SECTION 3. The regulations prescribed in Section 2 hereof are hereby adopted in all of those areas, parcels and lands within the City lying northerly of a line described as follows:

a) Carter Avenue from its westerly terminus to its easterly terminus;

b) From the westerly terminus of Carter Avenue along an imaginary prolongation of Carter Avenue to the westerly City limits; and

c) From the easterly terminus of Carter Avenue, thence north and southerly along Mira Monte and Mountain Trail to Grand View Avenue to the City limits.

All contrary zoning regulations of the City are hereby superseded.

SECTION 4. From and after the date of the adoption of this Ordinance, no subdivision, lot split or other division of land for sale, lease or rental, shall be recognized by the City, nor shall any approval or permit be issued for any of the foregoing, as to any lot or parcel of ground in any of the areas described in Section 3 hereof, except in compliance with the provisions of Section 2 hereof.

SECTION 5. It shall be unlawful for any person to violate the provisions of the Planning Commission as set forth in Sections 2 and 3 hereof.

SECTION 6. This Ordinance shall remain in effect until March 31, 1965, or until said amendments shall be earlier disposed of or enacted upon a permanent basis, whereupon this Ordinance shall lapse as though never adopted.

SECTION 7. The City Council declares this Ordinance to be an emergency Ordinance, for the immediate enactment hereof, and that the same is necessary to the public health, safety and welfare, and that the prohibitions imposed herein shall become effective at once as an emergency measure for the following reasons:

a) That the present regulations relating to such areas have manifested inequities and features inimical to the safety and welfare of the City, and have resulted in loss and damage; and

b) That the Planning Commission is conducting hearings and will, within the near future, forward its recommendations to the City Council regarding the foregoing and other modifications for community betterment; and that it is necessary and appropriate to impose the foregoing regulations at once.

c) That the moratorium presently in effect expires September 12, 1964.

SECTION 8. Ordinance No. 734 is hereby superseded.

SECTION 9. The City Clerk of the City of Sierra Madre shall certify to the passage and adoption of this Ordinance and to its approval by the Mayor and shall cause the same to be published in the Sierra Madre News, a weekly newspaper of general circulation, published and circulated in the City of Sierra Madre.

Passed, approved and adopted this 22 day of September, 1964.

Alpha Chi Omega To Have Joint Meet

Alpha Chi Omega Alumnae of the San Gabriel Valley, Day and Evening groups will meet jointly for luncheon Tuesday morning, October 6, at the home of Mrs. J. Warren Nelson, 2085 Orlando Road, San Marino.

The program will feature a report by convention delegates, Mrs. Thomas Lowe, San Gabriel, of the daytime group who holds the national office of District Alumnae chairman; and Mrs. Robert Stewart, Arcadia, of the evening group, who is chairman of the Southern California Executive Board. The Alpha Chi Omega National Convention was held in July at the Broadmoor Hotel in Colorado Springs, Colorado.

The daytime group will be hostesses with Mrs. R. A. Leadabrand, Pasadena, chairman, assisted by Mrs. K. W. Lundberg and Mrs. Harold L. Pierce of Pasadena, and Mrs. Parker F. Hubert and Mrs. H. E. Zillgitt of San Marino.

Also on the agenda will be discussion of the forthcoming benefit fashion show and luncheon, "Magic In Motion" to be held November 18 in the ballroom of the Beverly Hilton Hotel. Don Loper will present his famous fashions. The proceeds will be used for scholarships to train physical therapists to work with children afflicted with cerebral palsy.

Any Alpha Chi Omega alumnae in the San Gabriel Valley area is cordially invited and may contact Mrs. Nelson.

Shakespeare Club First Meet Oct. 2

The Shakespeare Department will open their fall meeting Friday, October 2, at 11:30 in Stratford House with Mrs. Austin B. Fernald chairman of the day.

Mrs. Luther H. Duncan and Mrs. William Juckett will serve coffee and dessert, followed at 12:15 with the study and reading of Shakespeare's Sonnets. Mr. A. C. Allig, director.

LEGAL NOTICE

Clerk of the City of Sierra Madre do hereby certify that the foregoing Ordinance, being Ordinance No. 735, was introduced at a regular meeting of the City Council of the City of Sierra Madre held on the 22 day of September, 1964, and was duly passed, approved and signed by the Mayor and attested by the City Clerk at a regular meeting of said City Council held on the 22 day of September, 1964, by the following vote:

AYES: Rule, Parks, Sorensen, King.

NOES: None.

ABSENT: Abernethy.

How many religious bodies are there in the United States? and what percentage of Americans are church members?

—CT—
The answer came to me as follows: "The yearbook of American Churches for 1964 shows that in 1962 there were 252 religious bodies with a total membership of 118 million in the 50 states and the District of Columbia."

—CT—
This is 63.4% of the estimated United States' population. Of them, 222 are Protestant with 65 million members. The Roman Catholic church reported a total membership of 44 million and the Jewish congregations numbered 4½ million. . . . I drew a total blank when I asked the membership of the Rich Society.

—CT—
I close the column this week with the following thought: "Individual freedom is secure only when a limit is set to the dominion of man over man. This is precisely what the American Constitution and the Bill of Rights seek to do. They rest on the fundamental proposition of the integrity of the human person. They guarantee as far as any political instrument can be a guarantee, the right of every man to be his best." With these final thoughts given to you, I do hope to see you around, I hope, I hope, I hope.

La Salle Parents' Association Has New Officers

The La Salle Parents' Association will hold the first of four meetings in the school gymnasium-auditorium on Thursday evening, Oct. 8. The meeting will begin at 8 p.m., but the faculty will be available for consultation prior to the regular business session.

Brother S. Martin, FSC, principal, announced the officers of the Association for this school year: William Kelley, president; Thomas Hession, vice president; Mrs. Charles Schmidt, (woman's vice president); Mrs. Ralph MacFarlane, recording secretary; Mrs. Maurice Sullivan, corresponding secretary; Paul Moore, treasurer. The executive board members are Mr. James Blackstock, Mr. Anthony Boland, Mr. Joseph Powers and Mr. Thomas Rose.

Mothers of Twins Club To Hold Meet & Exchange

The Santa Anita Mothers of Twins Club will hold their semi-annual Open Meeting and Exchange Tuesday, Oct. 6, at the American Savings and Loan, in Temple City. The starting time will be 7:30 p.m.

Mrs. John Burke, exchange chairman, and Mmes. Raymond Gao and Dennis Moore, hostesses, are expecting a large selection of twin clothes to be offered for sale. The exchange is for the benefit of the members, to buy and sell twin clothing.

The new yearbooks will be available for the members.

For further information concerning the club activities, contact Mrs. Robert Beaudet, at 795-4537, or Mrs. John Hoffman, at 355-9940.

Kiwanis Club Discuss Money

"What Wealthy People Know About Money" is the subject that Mr. Walter Addison Watson will speak on and discuss with the Sierra Madre Kiwanis Club at their regular luncheon-meeting.

Mr. Watson has had 25 years of broad, practical experience in this field in his three careers — publishing, marketing and finance. In his most interesting talk he covered the complex of estate planning, capital conservation and money management, and left time for all the questions that the members of the Kiwanis Club had. Although Mr. Watson is self-employed, he is sponsored as a public service by California Federal Savings and Loan Association.

Our local Kiwanians came away better informed and determined to put their money to work.

Bar Mitzvah To Be Conducted At New Temple

Observance of the first Bar Mitzvah in the new Jewish Temple-Center at 550 S. Second Ave., Arcadia, will be held Friday evening and Saturday morning, Oct. 2 and 3, when Kenneth A. Roane, son of Mr. and Mrs. George D. Roane of Sierra Madre, will be called to the Torah.

Not only is this the first Bar Mitzvah in the new building, but it is also the beginning of the cycle in the annual complete reading of the Pentateuch. Rabbi Max R. Wasser will officiate at the services and his sermon topic will be, "In the Beginning." Cantor Salomon Edelman will chant the liturgy. On Friday evening, beginning at 8:15, the Temple Choir will participate.

Also taking part in the service will be the parents of the Bar Mitzvah boy, Mr. and Mrs. Roane; Kenneth's brother, Malcolm, and his sister, Beverly, visiting from Berkeley for the occasion. The Roanes will host the Oneg Shabbat, a social and refreshment hour, following the services.

On Saturday morning, services will begin at 9:30—with the reading of the Law at 10. At the conclusion of the services a kiddush and luncheon will be served.

SPORTS AS**Hank Ives SEES IT****LITTLE THIS-N-THAT**

WHAT A DIFFERENCE A WEEK MAKES . . . Last week Old Hankus remarked that he figured the Phillies would be favored over any one of the three A.L. contenders in the World Series. Whoops.

DON HUNT'S Pasadena Lancers played solid defensive ball at San Mateo in opening the grid season with a 7-0 win. Clark Harrington and Ron Pritchett moved the ball well, but only once did they find the end zone.

The Lancers should be able to handle East L.A. Friday night and then things get tough as they swing into the Western States Conference action. Harbor and LACC as well as Pierce, appear ready to challenge Glendale for the title. And you can't count out Compton. So don't start Jr. Rose Bowl talk just yet.

NEXT WEEK'S clash with Compton in the Rose Bowl will be on TV channel 13, KCOB.

SPEAKING OF JR. ROSE BOWL . . . Here is Old Hankus' long range pick for the Dec. 12 junior college classic . . . East Mississippi versus Bakersfield. Better order your tickets now.

WILLIE MAY'S AND BROOKS ROBINSON should be given the MVP honors in their respective leagues. Their value to the team is immeasurable. Both are great fielders, with an accent on the "great," have been hitting for distance, with regularity and in the clutch.

BETHCA NICKEL that Mickey Mantle will be the "automatic" selection in the A.L. The Yankees don't you know.

BETHCA DIDN'T KNOW that Terry Baker weighs in now at 205 pounds and is the fourth fastest man on the Rams squad. And didn't he have a great day against Fran Tarkenton and the Vikings?

THE L.A. BLADES have been wheeling and dealing in the trade marts this winter. In another week a good sports fan can see hockey, basketball, football and the world series all at once. Good luck.

PEARLESS PHOOTBALL PHORECASTING

Everything considered, Old Hankus has to settle for last week's won-loss total of 11-7-2, which happens to be identical to the opening

Art Exhibition, Wilshire Federal Savings Oct. 9-23

The National Society of Arts and Letters is now exhibiting an outstanding painting and sculpture exhibition in Wilshire Federal Savings Art Salon, 3500 Wilshire Blvd., Los Angeles.

The exhibit will show through Oct. 23 and feature the works of 21 member artists as well as some affiliated artists, including Paul Lauritz, Orrin White and Norman A. Hall.

Frederick Zimmerman will exhibit "The General," an oil painting of Dwight D. Eisenhower, and George Snowden will show his sculpture, "The Playboy."

Painting demonstrations are scheduled for Oct. 9, 16 and 23 at 2 p.m., by Audrey Rink Byrd, Mae Daquette and Margaret Dobson.

Open Letter To Gov. Brown

Governor Brown:

After you succeeded in getting the last session of the legislature to enact the Rumford Housing Act and you signed the act into law, why did you go to the extremes you did in trying to keep the people of California, who simply loved their freedom and wanted the property rights you took from them returned to them, from exercising their constitutional rights in turning to the Initiative to repeal the Rumford Act and prevent future legislatures from enacting such laws again?

The extremes I refer to, Governor Brown, are your calling on state paid employees to devote their time and exert all possible pressure to frighten people who simply love their freedom, and your accusing them of Hitlerian hate and bigotry. Do you really think that these tactics are becoming to the Governor of the State of California?

I believe that the main reason for the avalanche advance of right extremism and the consequent rebirth of previously even outlawed bigoted and irresponsible organizations, is the speed of the intellectual reformation during the last few years, with which the simple-minded man could not keep step. The business babbles, the uninformed workers and farmers and the general crowd of the street was not ready for the silent and non-violent revolution in his every-day life.

In quick succession, the Supreme Court was bombarded with test-cases involving interpretations of physical and spiritual freedom and the sacrosanct right of the individual. Organization such as the American Civil Liberty Union, the NAACP and many others pressed for advances toward loftier and freer views. The Supreme Court could do nothing else but rule objectively in the most liberal manner and demonstrate the ideals of humanity and cultural freedom of our republican democracy.

And so the liberals rejoiced and the intellectuals lauded the wisdom of the judicial decisions. But Mr. Simple-minded could only see his prior life interrupted, changed and made uncomfortable in many instances. He had never bothered much about his fellow-man before — he was not his brother's keeper — he had never given much thought to bettering the world — he liked what he saw — he had never been much interested in "foreigners" — the government can handle them — and he did not see much advantage in keeping up with modern ideas in education or worship — what his fathers did was good enough for him.

Not ready yet for the widening of his outlook from his home to the whole country, and from our country to all mankind, he fell for the bait of the irresponsible fringe of the ultra-conservative right. He cheered when all social progress and humane legislation was called "pink" and socialistic and the Communist made the scape-goat of all his troubles. He wildly

The grandparents are Mr. and Mrs. Edwin Gengler of Arcadia, and Mr. and Mrs. Joseph Distaso of San Gabriel.

There is a trio of boys at the Rogers home. Mr. and Mrs. Dale J. Rogers welcomed another son on Thursday, Sept. 17. Clayton Warren weighed a bouncy

8 pounds when he arrived at the Huntington Memorial Hospital. His brothers, Craig, 5, and Trent, 4, were overjoyed at the prospect of a third boy at home. The proud grandparents are Mr. and Mrs. B. G. Keefer of Pasadena, and Mr. and Mrs. Chris Rogers.

Heide Lynn is the new addition to the King household. She was born on Sunday, Sept. 17, at the Methodist Hospital weighing 7 pounds, 5 ounces. Mr. and Mrs. Clifton King's other two daughters are Debbie and Laurel, 16 and 6. They live at 1317 Holly Ave. in Arcadia.

It is a fourth at the home of Mr. and Mrs. Douglas G. Howard of 1833 Oakwood Drive in Arcadia. Julianne Gail was born on Wednesday, Sept. 16, at the Huntington Memorial Hospital, weighing 7 pounds, 9 ounces. Happy that she is now at home are Craig, 5; Eric, 4, and Kevin, who is 2 years old.

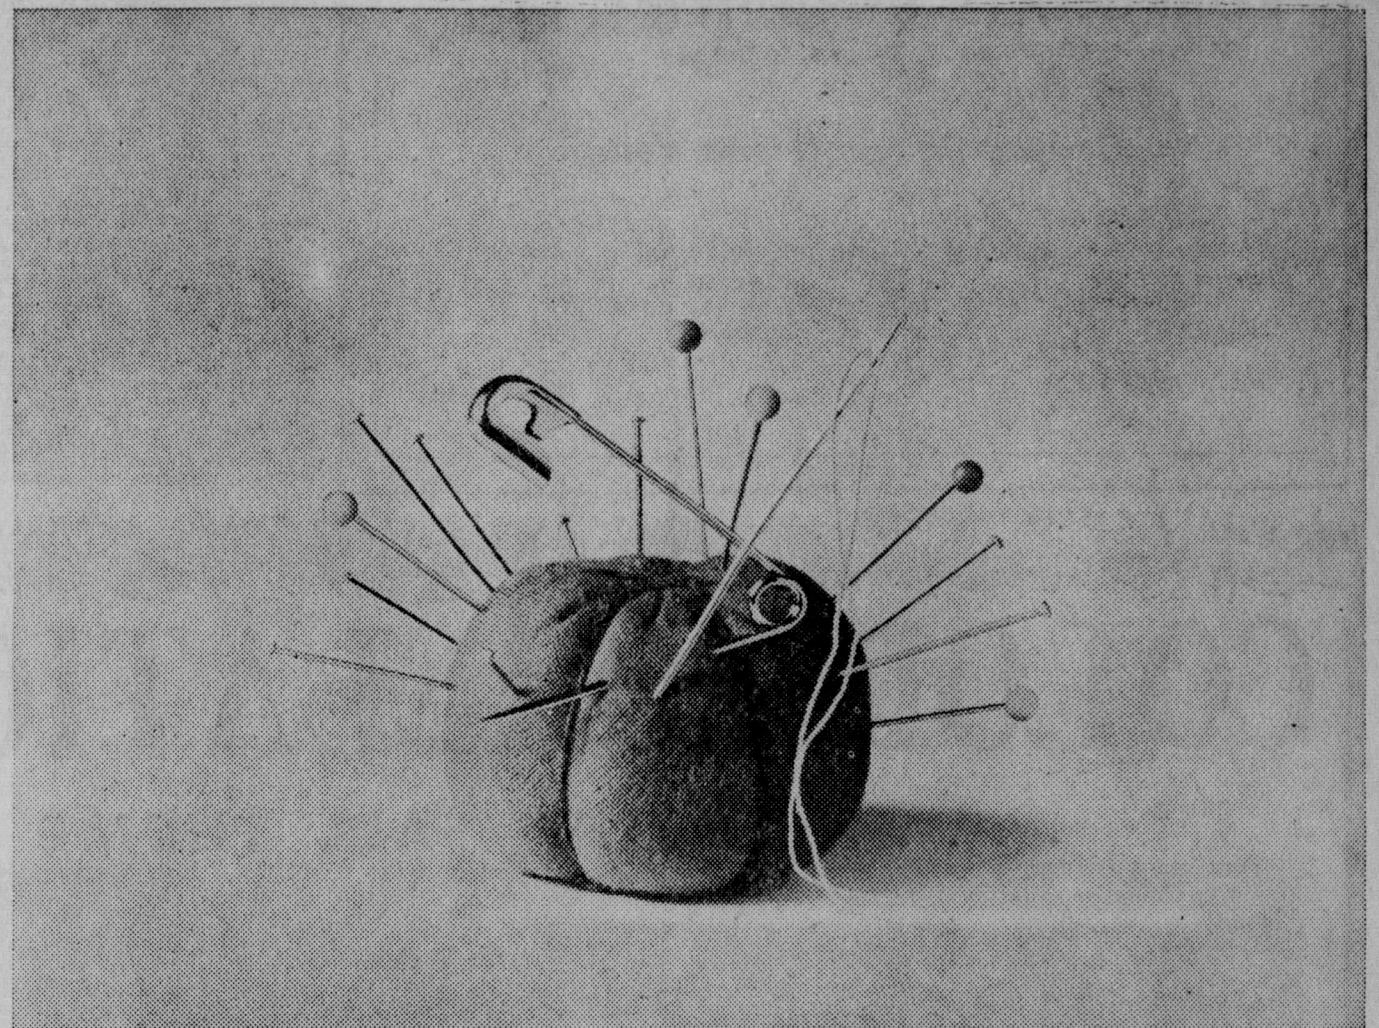

The proud grandparents are Mr. and Mrs. Leon E. Howard of Pasadena, and Mrs. Floyd M. Althouse of Alhambra.

Mr. and Mrs. Russell King proudly announce the birth of their fifth child. Carol Lynn weighed 7 pounds, 15½ ounces when she arrived at the Methodist Hospital on Saturday, September 19. Along with Carol, who is now at home at 1220 Via Granate in Sierra Madre, is Steven 10, Rebecca 12, Susan 6, and Leslie who is four years old.

HERE'S WHAT PROPOSITION 17, THE "SKELETON-CREW" SCHEME, WOULD DO:

WIPE OUT public supervision of railroad safety in California □ **DEPRIVE** the Public Utilities Commission and the Legislature of their rights to protect public safety □ **KILL** California's Minimum Safe Crew Law □ **LEGALIZE** "skeleton crews" □ **SURRENDER** to the railroads control over train safety practices □ **FREEZE** into the State Constitution the sole right of the railroads to decide safe crew requirements □ **PERMIT** the railroads to put their profits before your safety □ **INCREASE** sharply the chance of disastrous train wrecks in California.

FOR THE RECORD: PRESIDENTS EISENHOWER, KENNEDY AND JOHNSON HAVE ALWAYS SUPPORTED RAILROAD SAFETY LAWS—the California Minimum Crew Law is just such a safety measure!

On election day, Tuesday, Nov. 3rd, the railroad companies are asking you, the people of California, to vote away your rights as citizens...to hand over to the railroads full power to decide the number of train crewmen necessary for public safety.

This vital control over railroad safety laws is now held by your elected State Legislature and by the Public Utilities Commission. Proposition 17, the "skeleton-crew scheme" sponsored by the powerful California Railroad Association, would repeal California's Minimum Crew Law—a safety law which has prevented untold loss in lives and property...and given California one of the best railroad safety records in the nation.

At the same time, Prop. 17 would eliminate public supervision of railroad safety in California. It would leave the railroads completely free to cut the size of train crews as they see fit...below the present safe minimums now prescribed by law. In short, it would leave the question of public safety vs. private profit solely in the hands of the railroads.

VOTE NO ON 17

One of the greatest problems of our time will be not so much the education and cultural elevation of the ethnic masses newly freed from the ghettos, but the intellectual widening of the horizon of the extreme rightists and their educational liberation from bigotry, racism, narrow-minded nationalism and irreligious egoism.

We don't have to worry too much about the extreme leftist. He is an avowed communist or one who believes in their dialectic materialism and state-controlled collectivism. We will probably not be able to change him — we must compete with him in an economic and ideological race, which we should all feel sure will end some day in the victory of the forces of ethical religiousness and free individualism.

NOTICE OF PUBLIC HEARING
NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Sierra Madre, Section 9625, that the Planning Commission of the City of Sierra Madre has fixed Thursday, October 15, 1964, at the hour of 8:00 o'clock p.m. in the Council Chambers of the City Hall, 35 West Sierra Madre Blvd., Sierra Madre, California, as the time and place for holding a public hearing on a proposed variance to Section 9424, to allow construction of a building with a 17' front yard setback on a corner lot for property described as Lot 11, Tract No. 4450, further described as 667 Canyon Crest Drive.

Application and map are on file in the office of the Secretary of the Planning Commission. The application alleges that there are special circumstances attached to said property which generally do not apply to other properties in the same district and vicinity; that the granting of a variance as aforesaid will not result in a material damage or prejudice to other property nor be detrimental to the public welfare or injurious to persons in the vicinity thereof, in that the proposed variance, if granted,

would be subject to such conditions as the Planning Commission may deem necessary to assure that the spirit and purpose of said City Zoning Code will be observed, public welfare and safety secured, and substantial justice done to all parties.

Interested persons may attend and be heard.

Dear Editor:
Congratulations on your new column "Vent." The first column I read was in the Sept. 17 issue; guess I missed the first one so don't know who "Van Dyke" is, but getting a little bit of different viewpoint in the paper is refreshing.

All my life I've been a faithful Republican. But this year I find myself wishing for a write-in line on the presidential ballot.

As a Sierra Madre News subscriber since 1949, I have seen a series of editors come and go. Van Dyke is right — you DO run a darn good paper for local news. And your editorial prerogative includes airing your political views. But I have found myself with less and less taste for your FAR right and Birch-cozy opinions to the point where I was about to drop off your subscription list.

Then along comes Van Dyke, so I guess there's still hope. Enclosed is our \$5. On your tally of reasons why people buy your paper, credit this subscription to Van Dyke.

Dear Editor:
Arcadia City Council authorized Mayor Dale E. Turner to proclaim the first Monday in October "Free Enterprise Day." A pat on the back of self-reliance and a hard look at anti-enterprise forces is in order. The Great White Father of Liberal Spendoracy once more promises security from cradle to grave — with political overtones. The monstrous federal handout bureaucracy already reaches far beyond currently high taxes into the earnings of unborn generations.

Our last frontier of private enterprise railroad transportation is hard pressed by non-rail transport, spawned in the political pork barrel and per-

MEET MONROVIA by GWENN

Fall is truly here and life continues to whiz along. Back-to-school and beginning-of-meetings are in full swing. Fashion shows dominate the social news — so many are scheduled it would be impossible to cover them all. We would like to mention a particular model that is a show-stealer. Little Cindy Garber, four year old, has a great future in show business!

The friends of Elinor Lloyd are so thrilled for her and her exciting plans to

visit Europe. She will be there the month of October and will attend the International Hairstyling Convention in Switzerland. We all wish her an enjoyable and happy vacation.

Another reminder about the alumni dance this Saturday night, October 3, at the Elks Club. Red Loomis and his hard-working committee are urging all to attend and they promise a fun evening with dancing and reminiscing, so join all your old school pals and have a wall-to-wall ball.

Milton Bell, Daily-News Post photographer has won first prize in sports category in the California Press Photographers contest. This is Mr. Bell's second year to win, being awarded the Sweepstakes prize last year. His photo is on display at the County Fair in Pomona.

A group of Monroviens visited Estero Beach in Lower California and thoroughly enjoyed a leisurely weekend of swimming and water skiing. Along with their youngsters, the couples were Blanche and Bill Carlson, Barbara and Paul Garber, Pete Thompson and Candace Waugh, Dr. and Mrs. Stan Cobb, Dr. and Mrs. John Harvey.

Joe and Shirley Fazio recently returned from a three week trip to the east and were accompanied by their daughters, Jill and Ann.

They stopped to visit relatives in New Mexico and St. Louis, stayed a week in New York where they joined the many World's Fair visitors, then to Washington, D.C. and the points of interest in that area. Mr. Fazio is the Planning Coordinator of the City of Monrovia and while in the east he attended the four-day convention of the American Institute of Planning in New Jersey. The family enjoyed a short trip to Toronto, Canada, and then home by way of Idaho Falls and Las Vegas.

See you next week —

"Ain't" science just wonderful??? It is getting so now days a young bride just doesn't have to give a second thought to whether she ever learns to cook or not. The food industry has worked out so many modern methods to preserve and serve food, why if they can't jam it in a can, they just wrap a paper carton around it and squeeze out the juice to de-hydrate it, or throw it in a freezer and sell it by the block.

The newest gimmick that has come to my attention is the one that takes all of the old fashioned tricks out of cooking a turkey. Remember how you used to wiggle the drum stick up and down a bit and kind of pinch it to see if the old boy or girl, as the case might be, was done. Erase those ideas from your mind right now. The new turkeys come with a built in thermometer. It's a little gismo stuck in the side of the turkey somewhat resembling a white rivet. When the turkey is done to perfection out pops a little red stick and that is that. No more guess work, no more pinching and shoving, and no more FUN!

The Kinneloa Mesa came alive last Saturday afternoon with people and music and fun galore. The occasion was the annual Kinneloa Mesa Association picnic. They had around one hundred men, women, and children. The day started with swimming in the Dr. John Evans' and the Donald Beringers' pools in the afternoon. Towards evening the party assembled at the home of the Howard Morgridges where a bunch of bar-b-ques had been set up for bar-b-queing steaks and hamburgers. Needless to say they had a tremendous amount of food to go with the meat. After dinner there were movies for those that were interested that Mr. Morgridge had taken at the past picnics as well as a lot of cartoons for the young fry. The adults and near adults finished off the evening dancing.

The committee for all of the arrangements was headed up this year by Muriel Jacobs with able assistance from Phyl Buck, Geri Harris, Jan Beringer, Shirley Burt, Maggie Barnard, Penny Wills, and Alice Morgridge.

Mrs. John Chapman came back for a few hours from Hidden Hills to be guest of honor at a bridge luncheon given by Mrs. Eugene Koch. They are finally getting their new home settled and are enchanted with the area they chose. The guests attending were Mrs. George Wedsh, Mrs. Hohn Fincke, Mrs. Robert Anderson, Mrs. Jack Babick, Mrs. Jackson Norwood, Mrs. Jack Norcott, Mrs. Charles Goldsworthy, Mrs. Robert Mueller, Mrs. Laurence Melkle, Mrs. Aik-

man Armstrong, Mrs. Paul Uhl, Mrs. Lincoln Wilson, Mrs. Cleo Dorsey, Mrs. James Smith, and myself.

The Ranch Wrens had themselves a fine party last weekend at the home of Mr. and Mrs. Phil Shepherd on Villa Heights. This was their annual Fall Frolic, and frolic they did. They had dancing, and swimming in the Shepherd's beautiful new pool. Phil has music piped all over the yard so that it seems to drift right out of the trees while you blissfully float around in the pool. Of course they also had cocktails and a bountiful buffet.

The committee that deserves the credit for the success of the party included Dottie Lich, Marilyn Anderson, Ann Cameron, and Helen Graham.

The guests were Mr. and Mrs. Harrison Baker, Mr. and Mrs. Cal Brown, Mr. and Mrs. Harcourt Bull, Mr. and Mrs. Ray Anderson, Mr. and Mrs. Jack Atkinson, Mr. and Mrs. Ed Barnes, Mr. and Mrs. Charles Callow, Mr. and Mrs. John Calmer, Mr. and Mrs. Joe Cummins, Mr. and Mrs. Millard Davidson, Dr. and Mrs. Shirley Evans, Mr. and Mrs. Rowland Graham, Mrs. Jack Horne, Mr. and Mrs. John Hedrick, Mr. and Mrs. Blair Hyde, Mr. and Mrs. James Lawler, Mr. and Mrs. George Lich, Mr. and Mrs. Horace Ray, Mr. and Mrs. Jack Steffens, Mr. and Mrs. Robert Stivers, Mr. and Mrs. Evan Whitlock, and Mr. and Mrs. David Zinsmeyer.

The Villa Guild of Rosemary Cottage met at the home of Mrs. Robert Mueller last Monday morning to discuss plans for the benefit projects of the year. Mrs. Lincoln Wilson, the new president, presented a plan for bridge luncheons in the fall and an evening at the Ice House early in 1965 as a means of raising money for the year, in lieu of the annual champagne tea.

It was a sad bunch of neighbors that said goodbye to Ted and Ann Spence and Virginia Sayles. They have sold their Sierra Madre Villa home and moved to the other end of Pasadena. For your Christmas card list the Spences' new address is 1154 Romney, Pasadena, 91105.

The Gerald Fredericis gave them all a going away dinner party last week. They invited Mr. and Mrs. Wallace Jones, Mr. and Mrs. Al KnickKrem, Dr. and Mrs. Richard Miller, Mrs. June Miller and her son Danny who entertained them all with his organ music, Mr. and Mrs. Warren Bacon, and Mr. and Mrs. Donald Webster.

Lecture Series For Parents By Nursery School

Hastings Ranch Cooperative Nursery School is offering a series of lectures to participating parents. The first will be entitled "Learning as a Creative Process" and given by Dr. Eva Schindler Raiman on October 7, at 7:30 p.m. in the school, corner of Sierra Madre Blvd. and Hastings Ranch Road, Pasadena. The topic is in conjunction with a series of lectures to be given during the semester entitled "Why Should Creativity Be Important to You and Your Preschooler?"

Others lectures will be held October 21, Mrs. Patti Schlieslett — "Creative Experience in Music"; November 4, Dr. Philip Resnick, "Creative Art for Young Children"; and November 18, Dr. Ralph Hallman, moderator, and panel to include Dr. Carl Shafer, Hastings Ranch teacher and parent.

Golden Wedding Anniversary of Local Couple

Mr. and Mrs. George H. Johnson celebrated their golden wedding anniversary with friends and relatives on August 26. They were married 50 years ago in Saskatchewan, Canada.

A party was given in their honor by their son and his wife, Dr. and Mrs. Donald D. Johnson, who are visiting from Honolulu, Hawaii. It was held in Chapman "Learnin' As a Creative

laws, brother's home. For the festive occasion a three tier wedding cake was served along with ice cream, punch, nuts and minis. This year has been a very special year for Mr. and Mrs. George Johnson as they celebrated their golden wedding anniversary, were honored with a party, and were able to visit with their son and his wife whom they had not seen in a long time. But more than this, they took on the big task of moving. For the past 13 years they have lived at 64 W. Carter, but upon retirement they moved to Leisure World in Seal Beach where they are now residing.

Alumnae Chapter In Arcadia Area

Arcadia Area Alumnae of Delta Delta Delta held an evening dessert meeting as their first get-together of the season. The informal atmosphere of the occasion was planned to encourage all Tri Deltas in the area of Arcadia, Monrovia, Temple City, Sierra Madre, and other nearby cities, to come out and get acquainted. The Arcadia Alumnae Chapter is a new one this year and during the evening the group was officially presented its charter by Mrs. W. H. Dudley, district chairman for the Hawaii-Southern California area of Delta Delta Delta alumnae.

Mrs. Dudley's position as a representative of the national sorority of Delta Delta Delta and its 75,000 members, made her visit an especially interesting one for Arcadia Tri Deltas. With her she brought news of local and national scope in the fraternity world, as well as a report on the recent 75th anniversary national convention of Delta Delta Delta.

Mrs. Mervin E. Johnson, president of the Arcadia Tri Deltas, has announced the appointment of Mrs. Lawrence G. Atkinson of San Gabriel as vice president in charge of membership to fill a vacancy created when Mrs. Ronald McAdams moved from this area. Mrs. Atkinson, HI 5-1402, would appreciate hearing from any Tri Deltas in the area, so she may notify them of future group activities.

The September 29 meeting was held at the Arcadia home of Mrs. Gus Zaffiras. Mrs. Robert Misen, Mrs. Harold Cassriel, and Mrs. John Power were co-hostesses.
